

use case 2:

Test case#	Test Case Description	Test Data	Expected Result	Actual Result	Pass/Fail
1.a	Verify default initial render on search engine startup	Default: Athens, GR, Max Price: 50€	All 3 mock hosts (Μαρία Κ., Γιάννης Π., Ελένη Φ.) should be visible as they match the default criteria. Should be successful	successful	Pass
1.b	Search for a location that does not exist in the mockup data	txtLocation: "Thessaloniki"	The container clears and displays the message: "Δεν βρέθηκαν καταλύματα."	successful	Pass
2.a	Filter hosts dynamically by shifting the Max Price Slider	priceSlider: 30€	Only "Ελένη Φ." (25€) should remain visible. The other two hosts must be hidden.	successful	Pass
2.b	Combined filtering using multiple	chkGarden: Selected,	Only "Γιάννης Π." should be	successful	Pass

	advanced boolean checkboxes	chkNoPets: Selected	displayed (matches both garden and no other pets criteria).		
2.c	Filter hosts based on minimum star rating selection	cbRating: "4.8+ ★"	Only "Μαρία Κ." (Rating: 4.9) should remain visible.	successful	Pass
3.a	Check map visual updates when adjusting the radius slider	radiusSlider: Moved to 10	The label text updates to "Ακτίνα: 10 χλμ" and the map visual circle expands via repaint().	successful	Pass
3.b	Trigger contextual interaction popup by clicking a map pin button	Click on map button pin "32€"	A JPopupMenu appears showing Maria K.'s details alongside a green "Προφίλ" button.	successful	Pass
4.a	Submit a valid booking request via a host card	Click "Αίτημα 🐾" button on a host card	A confirmation dialog is triggered. Clicking YES displays the success	successful	Pass

			alert: "Το αίτημα στάλθηκε επιτυχώς!".		
4.b	Cancel an initiated booking request prompt	Click "Αίτημα  " button on a host card	Clicking NO on the confirmation dialog closes the window with no success message triggered.	successful	Pass
5.a	Save user filter preferences via advanced settings module	Click "Αποθήκευση Προτιμήσεων" button	An info dialog box pops up displaying: "Οι προτιμήσεις αποθηκεύτηκαν!".	successful	Pass
